**How We Will Calculate Your Balance:** We use a method called “average daily balance.” See your account agreement for further information regarding how we calculate your balance.

**Billing Rights:** Information on your rights to dispute transactions and how to exercise those rights is provided in your account agreement.

\*If your Total Minimum Payment Due is not received by your Payment Due Date, a Late Payment Fee will be assessed. However, the Late Payment Fee will not exceed the total minimum payment that was due.

**How We Will Calculate Your Variable APRs:** Except for any introductory Annual Percentage Rate, (“APR”), the APR for purchases, cash advances, and balance transfers is subject to change based on the U.S. Prime Rate (“Prime Rate”) as published in the Money Rates table of the Wall Street Journal that is in effect on the last day of the month. If the Prime Rate changes, we will change any variable rates on the first business day of the month, but at least twenty-eight (28) days after the published change of rate.
